

## **Bigfork Soccer Club Registration and Refund Policy:**

Registration for Bigfork Soccer Club seasons will stay open until the designated registration closing date. After registration has closed, a waiting list is formed by the club while teams are rostered. Roster numbers will determine if a waiting list applicant will be allowed to register for that season. Final registration as a waitlisted player will incur a \$25.00 late fee at time of registration.

### **Refund Policy:**

The Bigfork Soccer Club understands that things can happen to impede a commitment and a refund becomes necessary. If a cancelation is needed within two weeks of the registration closing date a 100% refund will be issued. After the two weeks, and up till the day before the first day of practice, a refund for all the monies minus \$25.00 if the uniform is returned in new condition. Parents have the choice to keep the uniform or donate the uniform back to our non-profit program. If a player has to drop out after a season has started, which is the first day of practice, no refund is available.
